Southern District of New York

Re: *In re Aluminum Warehousing Antitrust Litigation*,
No. 13-MD-2481-PAE (S.D.N.Y.)

Dear Judge Engelmayer:

This Court has scheduled telephonic oral argument on Defendants' "umbrella standing" summary judgment motion at 2:00 p.m. on December 11, 2020. *See* ECF No. 1283. Consistent with the practice that this Court specified for telephonic oral argument on FLPs' motion for class certification, Defendants have proposed to Plaintiffs that any PowerPoint slide decks that the parties propose to use during the telephonic argument be (i) e-mailed, in PDF format, to Chambers at least 24 hours before the oral argument and (ii) provided to opposing counsel at least 30 minutes before the oral argument. *See* ECF No. 1259. Plaintiffs have indicated that they have no objection to this approach. Absent further instruction from the Court, the parties plan to proceed in that manner.

Respectfully submitted,

s/ Robert D. Wick
